**Attachments:** 1 TCEQ final comments\_LPW\_SAP Dft Final\_28Mar2019.pdf

Mark,

TCEQs final comments on the SAP are attached to this email. It looks like the only one that requires an immediate response is the one I highlighted on the last page. I would like to discuss this with you after you have looked at this comment. My question will be how hard would it be to make this correction to the SAP and how much will this delay us. Please give me a call after you have looked at this comment.
